Important Questions Regarding Your Delivery	
<i>Please also refer to our Bulk Tank Delivery, Storage & Handling Guidelines available at www.sltec.com.au/policies/</i>	
Is the tank ready to receive product? <i>Is the tank clean with no residual fertilizer contained?</i> <i>Also it is required that all tanks be leak tested with water prior to the first delivery</i>	YES / NO
Will you or a representative be present for each delivery? <i>For safety and delivery instructions it is imperative that someone is present for all deliveries</i>	YES / NO
Is the road to the tank suitable for all weather access? <i>(If not please make the SLTEC® Logistics Coordinator aware of any wet weather prior to delivery)</i>	YES / NO
Tank Details What is the total tank capacity at this location (in litres)?	L
Is suitable pump available on site to unload the tanker?	YES / NO
Is tank capable of handling the specific gravity of product?	YES / NO
What size of male camlock is available for connection to the truck hose? <i>(Must be a male camlock)</i>	2" / 3" <i>(circle one)</i>
Truck Access Is entry / gate width > 3m?	YES / NO
Is clearance height > 4.3m?	YES / NO
Is road surface suitable for all weather conditions?	YES / NO
Can truck be unloaded from left hand side?	YES / NO
Is truck able to get within 5m of tank?	YES / NO
Safety Are tank fittings for connection to the truck hoses at chest height or lower? <i>(Drivers are not permitted to work at heights and will not climb up to fill tanks through the top)</i>	YES / NO

Please attach a Mud Map

- Ideally use a mapping website such as Google Maps or Google Earth
- Mark the desired delivery location on the map
- Please include the most direct and passable route from the nearest large town

Customer Sign Off:

1. Tank and Plumbing will be leak tested prior to receiving fluid fertilizer
2. Someone will be present at time of delivery to sign an Authority to Discharge
3. Any charges for demurrage or truck diversions that are the result of inaccurate information or faulty equipment will be charged to the customer

Name Signature Date

Other Comments / Special Instructions:
